

Newsletter Chair Message

Dear Friend,

As all of us know ASHRAE believes that the student members are equal to the future of our society and our industry. We at the Qatar Oryx Chapter would like to inform that a student branch shall be formed shortly at the Qatar University since 36 students have been accepted to be ASHRAE Student Member this year. It is a great occasion to congratulate our chapter and specifically the students Committee and its Chair for this good news and achievements.

Join me to welcome the new student members and work with us to form the first Student Branch in Qatar on a solid ground in order to allow the branch to grow in a healthy atmosphere and to encourage the other Universities to do the same for leadership development in order to advance better the arts and sciences of HVAC&R to serve humanity better and promote for sustainable world.
